Summary

I am a User Experience Designer with over eighteen years in interactive media. My career spans the breadth of digital production, from production art to web design and front-end development. As a User Experience Designer, my in-depth understanding of the design process allows me to meet user goals while balancing aesthetics and technical constraints.

UX/UI Skills

- Usability Testing, User Interviews, and Personas
- Sketching, Storyboarding, and Paper Prototyping
- Wireframing, Card Sorting, and High-fidelity Prototyping
- Markup (HTML) and Styling (CSS)
- Visual Design, Style Guides, and Style Tiles
- Typography and Graphic Production

Technical Skills

- Sketch, Photoshop, OmniGraffle, Illustrator, Principle, Flash
- HTML, CSS, Sass & Compass, Javascript & jQuery, Grunt & Gulp
- Git & SVN, PHP, MySQL, Drupal

Professional Experience

KBS (kirshenbaum bond senecal)

March 2015–present

Associate Director, User Experience

KBS (kirshenbaum bond senecal)

November 2016–present

- Create a design system, user flows, and a prototype for Stanley Black & Decker's Lista product configurator
- Design a skills matrix for the UX team to visualize strengths and gaps within the team. The skills matrix helps with allocations, skills training, and career development.
- Create a Sketch and InVision based workflow to streamline work between departments; Wireframes are created by UX designers, visualized by UI designers, and then prepared for handoff to developers

Senior User Experience Designer

Spies & Assassins | KBS (kirshenbaum bond senecal)

March 2015–November 2015

- Create a modular design system, wireframes, user flows, and prototypes for the responsive redesign of the BMW USA website
- Create wireframes, user flows, and prototypes for the redesign of the My BMW website
- Conduct user interviews and create content types and wireframes for the Hershey's digital marketing learning site

New York University

October 2008–March 2015

User Experience Specialist

Digital Communications Group, Information Technology Services

August 2014–March 2015

- Create a new responsive user interface for **Sakai**, an Open Source Learning Management System
- Commit back the user experience work from NYU Classes to Sakai
- Design a new user interface for NYU's *Email Direct* — a bulk email communication tool for NYU administrators

User Experience Designer

Academic Technology Services, Information Technology Services

October 2011–August 2014

- Design a new user interface for *NYU Classes* — the Learning Management System (LMS) based on extensive usability testing
- Create a 'Mobile First' prototype for our redesign of *MediaCommons* — a digital network for professors and post-graduate students of film and media studies

Interactive Designer and Developer

Faculty Technology Services, Information Technology Services

October 2008–October 2011

- Design and develop *MediaCommons* — a digital network for professors and post-graduate students — using Drupal
- Establish a distinctive look and feel for the *MediaCommons* network and it's project sites
- Design and develop book and photo viewing websites, and streaming audio and video for the NYU Libraries' special digital collections

Columbia University

August 2001–September 2008

Senior Web Designer and Developer

Columbia University Digital Knowledge Ventures (a small 'digital agency' within Columbia University)

May 2005–September 2008

- Create educational course content and departmental websites for Columbia University and affiliated non-profits
- Design and develop websites using open source content management systems and static html

Web Designer and Developer

Columbia University Digital Knowledge Ventures

August 2001–May 2005

- Work with Columbia Faculty to design and develop interactive e-seminars and courses
- Design and develop interactive maps, audio slideshows, podcasts, and basic video production and post-production for streaming video and DVD

Scholastic

January 2000–May 2001

Web Designer

e-Scholastic

- Design educational, commercial, and promotional websites for Scholastic
- Design daily site graphics, flash based interactive quizzes and educational activities

Education

1999–2007 **Ph.D. Media & Communication**, *European Graduate School*, Saas-Fee, Switzerland

1998–2001 **Certificate in Film Production**, *The New School*, New York, NY

1995–1996 **M.Phil. Medieval History**, *Trinity College*, Dublin University, Ireland

1991–1994 **B.A. History and Philosophy**, *University College* Dublin, Ireland
