Summary

I am a User Experience Designer with over fifteen years in interactive media. My career spans the breadth of digital production, from production art to web design and front-end development. As a User Experience Designer, my in depth understanding of the design process allows me to meet user goals while balancing aesthetics and technical constraints.

UX/UI Skills

- Usability Testing, User Interviews, and Personas
- Sketching, Storyboarding, and Paper Prototyping
- Wireframing, Card Sorting, and High-fidelity Prototyping
- Markup (HTML) and Styling (CSS)
- Visual Design, Style Guides, and Style Tiles
- Typography and Graphic Production

Technical Skills

- Photoshop, OmniGraffle, Illustrator, Flash, Fireworks
- HTML, CSS, Sass & Compass, Javascript & jQuery
- SVN & Git, PHP, MySQL, Drupal

Professional Experience

New York University

October 2008–present

User Experience Specialist

Digital Communications Group, Information Technology Services

August 2014–present

- Create a new responsive user interface for **Sakai**, an Open Source Learning Management System
- Commit back the user experience work from *NYU Classes* to Sakai
- Design a new user interface for NYU's *Email Direct* — a bulk email communication tool for NYU administrators

User Experience Designer

Academic Technology Services, Information Technology Services

October 2011–August 2014

- Design a new user interface for *NYU Classes* — the Learning Management System (LMS) based on extensive usability testing
- Create a 'Mobile First' prototype for our redesign of **MediaCommons** — a digital network for professors and post-graduate students of film and media studies

Interactive Designer and Developer

Faculty Technology Services, Information Technology Services

October 2008–October 2011

- Design and develop **MediaCommons** — a **digital network for professors and post-graduate students** — using Drupal
- Establish a distinctive look and feel for the *MediaCommons* network and it's project sites
- Design and develop book and photo viewing websites, and streaming audio and video for the NYU Libraries' special digital collections

Columbia University

August 2001–September 2008

Senior Web Designer and Developer

Columbia University Digital Knowledge Ventures (a small 'digital agency' within Columbia University)

May 2005–September 2008

- Create educational course content and departmental websites for Columbia University and affiliated non-profits
- Design and develop websites using open source content management systems and static html

Web Designer and Developer

Columbia University Digital Knowledge Ventures

August 2001–May 2005

- Work with Columbia Faculty to design and develop interactive e-seminars and courses
- Design and develop interactive maps, audio slideshows, podcasts, and basic video production and post-production for streaming video and DVD

European Graduate School

Fall 1999–Summer 2008

Assistant Director for Web Design and Development

Dept. of Media and Communications

- Establish a visual identity for a new university and a strong online presence
- Design, develop, and maintain the European Graduate School's website

Scholastic

January 2000–May 2001

Web Designer

e-Scholastic

- Design educational, commercial, and promotional websites for Scholastic
- Design daily site graphics, flash based interactive quizzes and educational activities

Thirteen, WNET

February 1998–December 1999
